Directions to Rice Lake Gallery from the 401

Exit the 401 at Highway 28, Port Hope (exit number 464). Go north on 28, towards Peterborough and Bewdley. Stay on 28 for about 20 kms. Shortly after you pass a blue sign marked County of Peterborough, you will see a 50 km speed limit sign and a sign for Bailieboro. Slow down and take the first road on your right, after the café called Doo Doo's. It's marked Peterborough County Road 2 and Lakeview Road. After approximately 7 km you will come to a four way stop. (Rice Lake will be visible on your right.) Turn left and go up the hill (about 1.5 km) turning left again just before the crest of the hill. (There's a church which has been converted into a house on the north side.) This gravel road is the 2nd line South Monaghan Township. Take the first driveway on your left, about 1 km from the main road. Keep going – slowly please - through the farm to the end of the driveway.
